Europump Participates in 'Knowledge Shared' Interview

Charli K. Matthews, CEO & Founder of Empowering Pumps & Equipment, a key information and connection hub for the international pump sector, recently hosted a live video chat with the President and Commissions Chairs within Europump, the European Association of Pump Manufacturers.

Established in 1960, Europump represents 16 National Associations in 13 EU Member States, Turkey, Russia, Switzerland, and the UK. Europump members represent more than 450 companies with a collective production value of more than €10 billion and employing 100,000 people across Europe.

Joining this discussion as part of EP&E's #KnowledgeShared video series were Soenke Brodersen (KSB), President of Europump, Frank Ennenbach (Sulzer), Chair of the Standards Commission, Robert Dodane (Wilo), Chair of the Technical Commission, and Giovanni Lorenzi (Calpeda), Chair of the SME Commission.

You can listen to their 25-minute conversation [via this link](#) and hear about a range of Europump initiatives, including the European Commission's Eco Design Directive, and the work that Europump is doing to ensure the European pump industry achieves and surpasses its energy reduction and environmental impact obligations, under the EU's Green Deal initiative.
